

THE PENNSYLVANIA HIGH-SPEED MAGLEV PROJECT

Provide Your Comments

Your feedback concerning the Maglev EIS is vital to the success of this study and to ensure that the future of our region includes your input. As such, we encourage you to use these convenient tools to help you receive information and offer feedback.

Comment Forms

Please fill out your comment forms and submit them before you leave tonight.

Public Hearings

Public Hearings will be held this Fall at locations in Allegheny and Westmoreland Counties. Please logon to either Web site, call the information telephone number or check you local newspaper and future newsletters for upcoming meetings in your community.

Web sites

www.ridegold.com
www.maglevpa.com

Information Hotline

A toll-free information telephone hotline is also available to the public day or night. The hotline number is 1-866-MAGLEV-4 (1-866-624538-4)

Connexions Newsletters

These newsletters are issued throughout the EIS study, summarizing public feedback, informing you of what's to come and detailing various projects milestone. Please go to www.ridegold.com to add or update your name in our database.
